The questionnaire

Informal questions asked to the traders and fishers while collecting the dried tissue samples from the shark processing centres in Cox’s Bazar

1. Do you have any exceptional catch (bigger size, different species than the regular ones)?
2. Sample No.
3. Filed Code.
4. Photograph no.
5. Do you know what species is it? (Showing photographs) and can you differentiate?
6. What was the length of the specimen?
7. What was the weight of the specimen?
8. Was it a male or a female?
9. When do you buy the specimen?
10. Where was it landed?
11. Do you know where is the boat from, which caught it?
12. Where did this trawler go for fishing?
Table S1. Estimated morphometric measurements (cm) of three reported *G. gangeticus* specimens from Bangladesh between February and November, 2017.
