

The Fourth International Conference Enzymes in the Environment: Activity, Ecology and Applications

Poster Awards (Aquatic Enzymology)

Dear poster prize winner

The scientific committee of the International Enzyme Congress "Enzymes in the environment" thanks you very much for your participation in the Congress at Bad Nauheim, July 2011. You have been selected by the committee as a poster prize winner for your excellent, interesting and formally well prepared poster presentation. The prize - free receipt of AME issues as hard copy and online access, for one year - will be handled by Inter-Research Science Center, Nordbunte 23, 21385 Oldendorf/Luhe, Germany, the publishers of AME.

With best regards, on behalf of the scientific committee,

Hans-Georg Hoppe, Leibniz Institute of Marine Sciences, Kiel, Germany.
