Erratum

Role of lipids in the maintenance of neutral buoyancy by zooplankton

R. W. Campbell, J. F. Dower

Mar Ecol Prog Ser 263:93–99, 2003

Eq. (3) on page 94 was missing an exponent. The correct equation is shown here:

$$\rho_c = \left(\frac{\delta_w}{\rho_w} + \frac{\delta_l}{\rho_l} + \frac{\delta_o}{\rho_o} \right)^{-1} \qquad (3)$$
